**Fact** - Fact is I only have two short facts for you all today, time is short and I've got big things happening! But you better read these facts as they are pretty awesome and a giveaway is coming at ya!

**Fact** - I recently was contacted by [Fair Haven Health](#) to see if I'd want to try out any of their nursing mom products, I explained to them my recent switch to formula and that it might not be the best fit. They said, no problem, but they wanted to send me something anyway...they sent me these AMAZING [Milkie Soft Cloths](#). They are amazing reusable cloth wipes made from natural bamboo. I'm not brave enough to use them as diaper changing wipes...but let's just say as we have started some solids (oatmeal and pureed sweet potatoes)

Cause life is messy... :)

we have NEEDED these! And I use these and only these for bath time. They are super soft, wash great and are extremely durable. I would recommend you check them out.

**Fact** - Fair Haven Health did send me a package of the cloths in exchange for a review, but remember I only share honest thoughts here. And HONESTLY I want one of you to win a pack of Milkie Soft Cloths. All you have to do is comment below telling me one way you would use the cloths - diaper changes? bath time? feeding time? for yourself (yep I may have used them to wash my face a time or two 😊).

**Fact** - Remember how I did the [Creativity Challenge](#) a while ago? My friend [Erin](#) is hosting another one!!! The total cost is \$25 (plus \$6 to ship to you)...she'll buy all the materials, you go crazy with your imagination, and complete the project by a yet to be set May date. Email her if you'd like more information at [erin1341@yahoo.com](mailto:erin1341@yahoo.com) or feel free to [contact me](#) and I can get you in touch with her!

**DON'T FORGET COMMENT BELOW TO ENTER THE GIVEAWAY!!! I will select a winner next Thursday and announce in next week's Friday Facts!**
